

Are you ready to join the Kid City family?

Great! We are excited to have you as part of our team. Kid City has created new opportunities for community members to volunteer and engage in learning opportunities at our fun indoor playground. We are excited to support you in your learning goals.

Our Commitment:

Kid City is committed to supporting youth and other members of our community in learning and social engagement. Our volunteer program provides individuals opportunities to build valuable skills such as teamwork, time management, basic cleaning skills, develop a work ethic, socialize, play and so much more!

Our volunteers will feel right at home amongst our caring employees who are ready to mentor new learners. All volunteers will be provided directed instruction and supervised during their time at Kid City to ensure safety, provide support, and lead to success!

Who is the program for?

Everyone is welcome to apply to our volunteer program. We provide equal opportunities to youth (ages 12+), newcomers, seniors, and persons with disabilities.

At Kid City we respect each person's skills and abilities and are excited to help build self-confidence and self-worth.

Kid City is excited to work with youth, seniors, newcomers and individuals with disabilities to provide opportunities for community engagement and business learning opportunities at our indoor playground.

How is a volunteer position different than employment?

Kid City employees are provided training in all aspects of business including servicing customers, cleaning procedures, party hosting, food preparation and more! All employees are held to specific standards and subject to disciplinary action. Kid City volunteers are not provided training in the above aspects of business and thus not held to the same standards as employees.

What is the Volunteer commitment?

Volunteers are not required to provide a committed number of hours. We respect each person's availability and understand if circumstances change. Volunteer shifts will be pre-arranged based on their availability, and a schedule provided.
